## TECHNICAL SPECIFICATIONS

## 2 COMPARTMENT OUTDOOR STEEL RECYCLING BIN

# 224L

### FEATURES

- Introducing the larger model of our best-selling Two Compartment Outdoor Steel Recycling Bin.
- This weather-resistant receptacle features two 112-litre liners for a huge total capacity of 224-litres, making it ideal for busy public areas such as parks, town centres, car parks, and business premises.
- Made from durable galvanised steel, it is available in a wide range of colours to complement both rural and urban landscapes, and it is fully customisable with the recycling apertures and text of your choice.
- This 2 Compartment Recycling Bin features a slam-lock door to prevent unauthorised access and, it comes with a 10-year anti-perforation warranty for peace of mind.
