DECORATIVE FOOD WASTE BIN

7L

FEATURES

- Manufactured from 100% recyclable plastic, this 7L food waste caddy features a subtle floral design alongside a secure closing lid and sturdy metal carrying handle.
- The secure, snap shutting lid helps to prevent unpleasant odours from escaping and keeps your food waste from spilling out of the caddy.
- This caddy benefits from a smooth, wipe-clean surface inside and out making emptying and cleaning in between uses convenient.

SPECIFICATIONS

- Modern floral design.
- 100% recyclable BPA-free plastic.
- Metal carrying handle.
- Snap closing lid.
- Simple wipe-clean surface.
