TECHNICAL SPECIFICATIONS

EKO PHANTOM RECYCLING BIN

40L

FEATURES

- Two removable, colour coded inner buckets to make recycling simple and cleaning easy.
- Space efficient design with dual opening lid. Fits perfectly against the wall and under the counter.
- High quality fingerprint resistant, brushed stainless steel to give a refined finish.
- Bin bag fixer holds any size bag in place.
- The lid can be opened and close silently by the use of its sensor or by the use of the touch buttons on the lid.

SPECIFICATIONS

- Silent opening lid.
- Easy to use touch bar.
- Operates with 6xAA batteries (not included).
