# 100L

**100L**  
Capacity

Durable polyethylene construction

Optional signage kit can be purchased separately

### TECHNICAL SPECIFICATIONS

## ENVIROBIN RECYCLING BINS

# 100L

### FEATURES

- Made from robust polyethylene, they are hardwearing, weather-resistant, and they have a generous total capacity of 100-litres, making them ideal for high-traffic areas.
- Fully customisable with the WRAP compliant colour-coded recycling lid of your choice, Envirobin Recycling Bins are ideal for those looking to create a recycling station in areas where they collect large volumes of recyclable waste.
- Optional signage kits are available, and you can choose your preferred colour and lid option from our wide range available.

### SPECIFICATIONS

- Durable polyethylene construction.
- Easy to clean and maintain.
- Available in 18 colours.
