### TECHNICAL SPECIFICATIONS

## FITBIN SIMPLER RECYCLING QUAD WITH TRAY

**20L****FEATURES**

- Offering a perfect solution to the upcoming recycling legislation changes, we have put together this quadruple set of 20 Litre recycling bins.
- Made from wipe clean plastic, each bin has a removable colour coded lid, coloured insert and an A5 graphic indicating the designated waste stream.
- We have set these for General Waste, Mixed Recycling, Paper and Cardboard and Food Waste so you can simply purchase a set and be ready for the new legislation without the hassle of ordering separate bins.

**SPECIFICATIONS**

- Open top aperture
- Small base footprint
- Easy to clean and maintain
- Optional frame inserts and A5 graphics to complete the look
