FITBIN SIMPLER RECYCLING TRIO WITH TRAY

75L

FEATURES

- Offering a perfect solution to the upcoming recycling legislation changes, we have put together this triple set of 75 Litre recycling bins.
- Made from wipe clean plastic, each bin has a removable colour coded lid, coloured insert and an A5 graphic indicating the designated waste stream.
- We have set these for General Waste, Mixed Recycling and Food Waste so you can simply purchase a set and be ready for the new legislation without the hassle of ordering separate bins.

SPECIFICATIONS

- Open top aperture
- Small base footprint
- Easy to clean and maintain
- Optional frame inserts and A5 graphics to complete the look
