TECHNICAL SPECIFICATIONS

METROPOLITAN OUTDOOR BIN

160L

FEATURES

- This heavy-duty dustbin, designed in partnership with Veolia and the City of Westminster Council, is unobtrusive, makes waste management simple, and improves pedestrian flow with its slimline profile and curved ends.

Specifications

- Manufactured from galvanised steel.
- Lift-up lid design.
- Dual internal polythene liners.
- Optional plinth-style ground fixing.
- Curved ends and slimline footprint.
- Customisable options.
