### TECHNICAL SPECIFICATIONS

## OUTDOOR RECYCLING WASTE CONTAINER

# 140L

### FEATURES

- A complete kit for those new to recycling, this Outdoor Recycling Bin includes a universal recycling logo, and a set of seven recycling stickers for you to personalise with your chosen waste stream.
- Designed to give your recycling efforts a boost, this Outdoor Recycling Bin has a huge total capacity of 140-litres, making it ideal for high-traffic areas such as universities, government buildings, medical facilities, and large office spaces. Made from 25% recycled materials; this heavy-duty receptacle is hardwearing, weather-resistant, and made to last.

### SPECIFICATIONS

- Dome-shaped lid with two apertures.
- Patented Grab Bag™ system.
- Includes universal recycling logo.
- Includes 7 recycling stickers.
- Optional extras include ground fixing bolts and security cable.
