PLASTIC PUSH LID RECYCLING BIN

12L

FEATURES

- Ideal for space-restricted areas, this slim profile receptacle will slot next to any desk, work station, or kitchen cupboard, where you can use it collect all types of rubbish and recyclable waste.
- Each bin comes with a removable lid with a spring-loaded, push-to-open aperture, with red, lime green, blue, yellow, and black options available.
- Recycling sticker included (7cm x 10cm).

SPECIFICATIONS

- Durable, wipe-clean plastic.
- Removable lid with spring-loaded, push-to-open aperture.
