SMALL OPEN TOP RECYCLING BIN

28L

FEATURES

- This smaller version of our best-selling 45 litre open top bin and 90 litre recycling bin can be used to create a recycling point in any small building.
- The base is made from recycled content and is a popular choice for small rooms or businesses.
- The wipe-clean plastic makes keeping it clean easy and the colour-coded lid fits with the government WRAP guidelines for an easily recognisable recycling point.

SPECIFICATIONS

- Wipe-clean hygienic plastic.
- Easy access open aperture.
- Lid is available in red, black, lime green, blue, yellow and brown.
