JOSEPH JOSEPH EASY FILL KITCHEN CADDY

4L

FEATURES

- Ideal for collecting leftover food waste in the kitchen, this Easy Fill Caddy by Joseph Joseph includes a door mounting bracket for attachment to any cupboard door. Made from durable polypropylene, it features a lift-up lid with an adjustable air vent for odour control, an integrated carry handle, and it has a generous total capacity of 4-litres.
- The Easy Fill Kitchen Waste Caddy is suitable for collecting all types of biodegradable and compostable waste.
- Thanks to its compact dimensions, it is ideal for those with limited countertop space, and with its classic white finish, it complements all interiors.
